Preface

This book is specially dedicated to the aspirants of the **Gurugram University Assistant Librarian and Library Attendant** and other competitive exams in Library and Information Science. It is intended to assist candidates by providing structured, relevant, and accessible content based on previous years' question papers with answers, along with key concepts in LIS.

While the content has been prepared with **accuracy and clarity** in mind, some errors or omissions may exist due to the dynamic and evolving nature of the subject. The material will be updated from time to time, and readers are encouraged to refer to the author's official platforms for the **latest versions, corrections, and additional resources**.

This book is **not an official publication** of any examination authority. It is meant as a **supplementary resource** to be used alongside standard texts, syllabus guidelines, and official notifications.

Disclaimer

The author shall **not be held responsible** for any exam-related consequences resulting from reliance solely on this content.
